

Dr. Watson's Neglected Patients

Privacy Preference

Dr. Watson's Neglected Patients will never sell our membership lists. However, in the last few years we have been asked for contact information for our members for various reasons. Sometimes members want to update their contact information for members. Sometimes a non-member is trying to reach a member. Sometimes an organization wants to invite our members to events related to Sherlock Holmes, or events which might be of interest to people who like Sherlock Holmes. Sometimes a person or organization wishes to offer items for sale related to Sherlock Holmes. After struggling with these issues, our Board decided to ask each of you individually what your preference is. Your preference will be recorded in our master list of the membership so we may respect it.
